

# Maria Callas MQS Album Box Set

Maria Callas is truly a diva of a century with dramatic life story who can still move the hearts of opera fans for more than 50 years even after her death.

Hear Maria Callas as never before with her complete studio recordings in high-resolution 24bit/96kHz!

The entire Re-Mastered Maria Callas Studio Collection loaded on 40 individual microSD cards.

Includes commemorative hardback book with essays, biography, chronology, rarely-seen photos, and reproductions of revealing letters written by Maria Callas, Walter Legge, and other EMI executives! The opera librettos and aria texts are provided on each MQS Album.
